## ABOUT

Looking for a role that lets me hone my front-end and back-end abilities. I am learning React for front-end and django/nextjs for backend.

## EXPERIENCE

Málaga

Mar 2022 - Mar 2023

### Frontend Developer

DDM2

- Proficient in HTML, CSS, and JavaScript for building responsive websites.
- Skilled in utilizing front-end frameworks such as React.js.
- Experience in optimizing website performance and implementing SEO best practices.
- Collaborated with design and back-end teams to create visually appealing and functional sites.

Toronto, Canada

Sep 2023 - Jan 2024

### Network Administrator

Qlance

- Implemented network monitoring tools to troubleshoot and resolve connectivity issues efficiently.
- Configured and maintained firewalls to ensure network security and compliance with company policies.
- Provided end-user support for network-related issues and conducted training sessions on best practices.
- Made the whole networking infrastructure from the ground up and maintained it.
